COST SHARE AGREEMENT for the Briggs Incident.

This cost share agreement between the Forest Service and State of California Department of Forestry and Fire Protection (CAL FIRE) was prepared under the following guidelines:

1. In accordance with the **CALIFORNIA MASTER COOPERATIVE WILDLAND FIRE MANAGEMENT AND STAFFORD ACT RESPONSE AGREEMENT (CFMA)** between the USDA, Forest Service, USDI, Bureau of Land Management, National Park Service, Fish & Wildlife Service, Bureau of Indian Affairs and the California Department of Forestry and Fire Protection.
2. Responsibility for tort claim costs or compensation for injury costs will not be a part of this agreement. Responsibility for these costs will be determined outside of this agreement.
3. In recognition of their responsibility to protect the States Direct Protection Area, CALFIRE will incur the costs associated with their assigned agency resources and LAC resources assigned to support the State's mission under a Fire Protection Agreement with Los Angeles County Fire Department.

This agreement is our best judgments of agency cost responsibilities.
